JOIN OUR TEAM AS A... CREATIVE DESIGNER

Salary: DOE (+ generous bonus scheme)
Location: Remote
Application Deadline: Friday 24th July 2020

The role

We're looking to bring onboard a talented designer to work closely with our Creative Director. We're looking for at least two years design experience, either working in-house or within an agency with the enthusiasm to always reach the next level.

A creative thinker, you'll be able to add real value to the design process and be highly productive. The role requires a can do and flexible approach as you will be responsible for working on a diverse range of projects across a number of different services including web, branding and print design.

Required skills

- » An excellent understanding and ability to use the Adobe Creative Suite and/or Sketch
- » A good understanding of User Experience
- » A deep understanding of digital media creativity and best practise
- » Have strong ability to create and act on briefs to deliver high quality visual concepts
- » Comfortable working across a variety of digital media – including email, web, and social media
- » Thrives in a fast-paced environment with tight unmissable deadlines
- » The ability to support the visualisation/production of projects across media where necessary, ensuring all outputs are on-brand and on-brief for the client
- » Flexible and adaptable working approach to meet needs of the dynamic business
- » Understand how to manage projects in order to maximise ROI

This role would ideally suit a design/web candidate with experience in a similar role, used to working in a fast turnaround environment, looking to develop their portfolio and career.
