JOIN OUR TEAM AS A... FRONT-END DEVELOPER

Salary: DOE (+ generous bonus scheme)
Location: Remote
Application Deadline: Friday 31st July 2020

The role

We're looking to bring onboard a talented Front-End Developer to work closely with our Front-End Lead. We're looking for at least two years experience, either working in-house or within an agency with the enthusiasm to always reach the next level.

Diligent and dedicated, you enjoy the challenge of picking up new tools and sharing your knowledge with others. You're comfortable finding solutions and reporting on the status of project tasks quickly and constructively. You're pragmatic, and have a great ability to communicate recommendations to internal and external stakeholders.

Required skills

- » Good knowledge and ability within all front-end languages, including HTML, CSS and jQuery
- » Experience working with WordPress, Magento and other major content management systems
- » A keen eye for design to ensure all development is pixel-perfect
- » Experience working with responsive websites
- » Experience using the Adobe Creative Suite
- » An understanding of user experience
- » Experience using PHP
- » Experience using Sass or LESS
- » Experience of version controlled environments
- » Brilliant time-management skills
- » Advanced knowledge of CSS, HTML and JavaScript
- » Outstanding communication skills within meetings, phone calls and emails

This role would ideally suit a candidate with experience in a similar role, used to working in a fast turnaround environment, looking to develop their portfolio and career.
